

# 50<sup>th</sup> Class Reunion July 16 and 17, 2010

How many faces do you recognize? If you cannot identify more than half of these classmates then it has been far too long since you have visited us. Please plan to save the weekend of July 16 and 17 for our class reunion. Please write us a letter and send us pictures or your Christmas letter. Contact us by E-mail. Let us know what you have been doing for the last 50 years. We will place the information into our Log Book. We would appreciate hearing from you. \*\*If you are receiving this via e-mail, increase the % and you can recognize more people. Since our last reunion picture, we have lost Bill Spalding, Jane Catenhusen Steele, and Karen Herzog Young.

Lowell, Paul			

The committee has been busy making plans for this special 50<sup>th</sup> HHS Class Reunion.

Many of us had brownie cameras in later elementary school. Would you please send us old pictures (digital and jpeg format would be great) of classmates involved in school activities. We would like to assemble a PowerPoint showing these classic moments. Below are two examples: These pictures are from the 5<sup>th</sup> grade at Gier School. Can you identify the students?

We are in need of many up to date addresses and e-mail accounts of classmates. Please share your information, which will help us to save money on postage and phone calls. We are meeting on a monthly basis and if any one of you would like to help us plan, we extend an invitation. There are many committee responsibilities and they do not take an enormous amount of time.

On the next page is a form for your convenience. Please fill this out and snail mail or send an e-mail to one of the committee members listed on the first page. We can then keep you posted on updates and help us identify and find classmates.
